CHILD PROTECTION POLICY

The Club aims to create an enjoyable, safe and secure environment for all young people who wish to take part in sporting or social activities at the Club.

Young people will be treated with respect and their concerns will be listened to and acted upon.

The Club will provide specific programmes, facilities and safe practice for young people.

We have procedures in place to help any young person who appears to be at risk, or is the victim of abuse, and we will support any young person who tells us that they are affected by these issues.

We will not tolerate bullying or abuse of any kind.

All adults working with young people will have undergone the relevant checks to ensure that they are fit to do so, and we have a Code of Conduct that we expect those adults to follow at all times.

The Club has a specific person responsible for young people and their protection.

This person is **Ros Arrowsmith** who can be contacted on **02392 550381**
