SAFEGUARDING POLICY

The Club aims to create an enjoyable, safe and secure environment for all children and vulnerable adults who wish to take part in sporting or social activities at the Club.

Children and vulnerable adults will be treated with respect and their concerns will be listened to and acted upon.

The Club will provide specific programmes, facilities and safe practise for children and vulnerable adults.

We have procedures in place to help any child or vulnerable adult who appears to be at risk, or is the victim of abuse, and we will support any child or vulnerable adult who tells us that they are affected by these issues.

We will not tolerate bullying or abuse of any kind.

All adults working with children or vulnerable adults will have undergone the relevant checks to ensure that they are fit to do so, and we have a Code of Conduct that we expect those adults to follow at all times.

The Club has identified two people specifically responsible for children and vulnerable adults and their protection.

The officer is Ben Homer, who can be contacted via the Club on 02392 550381.
